Trial by Declaration Def: Kareem Salessi Cite #: IRM338724

On 3-11-2009 at approximately 1642 hours I was working traffic enforcement wearing a police uniform riding a marked Irvine Police Department Motorcycle, in the city of Irvine Police Dept, in the County of Orange.

I was working in the area of Michelson between Teller and Jamboree. While at the location I watched as traffic for eastbound Michelson started to back up from the red light at the intersection with Jamboree. While traffic was backed up almost to teller, I saw a Honda Accord in the #2 left turn lane, (which is extended from Jamboree all the way to Teller). Cross over the double yellow lines separating east and westbound traffic on Michelson. The vehicle proceeded to pass 7 cars, traveling a total of 100 feet heading eastbound in the #1 westbound left turn lane of Michelson at Teller. The vehicle then entered the #1 left turn lane of eastbound Michelson at Jamboree. Two other vehicles followed the Honda as well.

I activated my emergency lights including one steady red light. I proceeded to contact all three drivers as they were stopped at the red light. I ordered them to pull over to the side of the road after we made the left turn. The light turned green all vehicles made a left turn and came to a stop on Jamboree north of Michelson.

I contacted the driver of the Honda, who I identified as Kareem Salessi from his California Driver's license. I asked him if he knew why I stopped him. He told me he did not know. I advised him that I stopped him for driving on the wrong side of the road when he drove over the double yellow lines and began to drive eastbound in the westbound lanes of Michelson before entering the #1 left turn lane of eastbound Michelson. I issued Salessi a ticket for CVC 21650 driving the wrong way on the roadway, had him sign it and release him from the scene.

APPEARANCES OF COUNSEL:

For the People:

OFFICER OSTROWSKI

Irvine Police Department

For Defendant:

KAREEM SALESSI

Appearing Propria Persona

Jerry Noble, Transcriber Foothill Transcription Company, Inc.

As I was sitting in this location, the number two left turn lane had began to back up because the signal for eastbound Michelson at Jamboree had turned to red. I saw the vehicles backed up almost all the way to Teller.

As I was in this location, I noticed the defendant's vehicle was -- as marked in red on the diagram -- was almost at the intersection with Teller with about two cars behind him. He s topped his vehicle behind the line of cars, proceeded to make a left -hand turn, crossing the double yellow lines, and then began traveling eastbound through the number one left hand turn lane of westbound Michelson. He traveled approximately five car lengths before re -entering the number one left hand turn lane of eastbound Michelson, just west of Jamboree.

At that point in time, I also noticed the two other vehicles behind him follow him and do the exact same movement.

I activated my emergency light s, proceeded to get through the vehicles there. I contacted both drivers of the vehicles behind them and advised them I was stopping them for driving on the wrong side of the roadway. I also contacted the defendant at the time in his vehicle and advised

him that after he makes the left hand turn, to pull over to the right side of the roadway.

I then assisted all three vehicles as they made their left turn to proceed to move over to the right side of the roadway on Jamboree where they came to a stop be tween -- on Jamboree between Michelson and the 405 freeway.

I contacted the defendant. Identified him by his California driver's license. The defendant is standing next to me. He was driving a white

Jeep Grand Cherokee at the time.

THE COURT: All right. The record will reflect you've identified the defendant. Continue, sir.

OFFICER OSTROWSKI: I asked him if I knew why I stopped him. He advised me he did not. I had asked him if he knew that when he went left of all of the vehicles that wer e left of the left hand turn lane, he noticed he crossed a set of double yellow lines. He advised me he thought he was just trying to get -- alleviate traffic, so he tried to get into the number one left turn lane that was rather empty.

I advised him when he did that, he was traveling at that point in time on the wrong side of the road, approximately five car lengths which,

Anything further 18 that you'd like to say? I'll take your motion for 19 nonsuit under submission. 20 21 MR. SALESSI: Okay. And then there's more. Yes, your Honor. defendant drove on the wrong side of the road. THE COURT: Mr. Salessi? MR. SALESSI: Yes, your Honor. THE COURT: Are these criminal cases? MR. SALESSI: No, they're not, your Honor. THE COURT: They're personal injury cases. That has to do with assessing fault when there's an accident. It has nothing to do with this. Okay? Sometimes people violate laws and the y're not at fault for the accident. You roll through a stop sign and you get rear -ended. It's not your fault. But in any event, is there anything else you want to say? I think I understand your argument. MR. SALESSI: Yes, sir. May I just cite one county case which is helpful in this situation? THE COURT: If you -- if it's applicable, sure. Mil. SALESBI: -- which is Manually and MR. SALESSI: Yes. THE COURT: What is it? MR. SALESSI: Okay. It's a Riverside County case. (Inaudible) here which I would like to take judicial notice, if the Court may. [IHAVE OVER A 100 CASES] THE COURT: No, sir. Just --MR.
